# Product description

## Table frame

- Table frame of standard dimensions for box or desk type workstation construction
- Height-adjustable leveling feet to compensate for floor irregularities
- Suitable for the construction of ESD workstations
- Many extension options with accessories such as table tops and footrests
- Desk-type construction for more legroom, especially when swiveling in and out of workstation while seated

## Strut Extension

- Strut extension of standard size for attaching accessories to workstations
- Subsequent installation on a table frame is possible
- Fits all Rexroth table frames with a 45x45L profile and the width B = 990 mm
- Fastened by means of end connector on table frame
- Suitable for the construction of ESD workstations
