

Switch bracket SH VF/UV

- Switch bracket for a 12 mm sensor, for installing on stop gate VE 2/VF
- Simple, fast mounting and replacement of the sensor without adjustment through flush installation with defined sensing range
- Changing the sensor is quick and easy by loosening a separate clamping screw. The switch bracket stays in position
- Can be attached to both sides of the VE 2/VF stop gate
- For querying the workpiece pallet position before and/or after the stop gate
