

Table top

- Table top for use in constructing Economic and Basic type Rexroth workstations for various mechanical loads
- Can be configured with variable dimensions or with fixed standard dimensions

 [Assembly instructions](#)

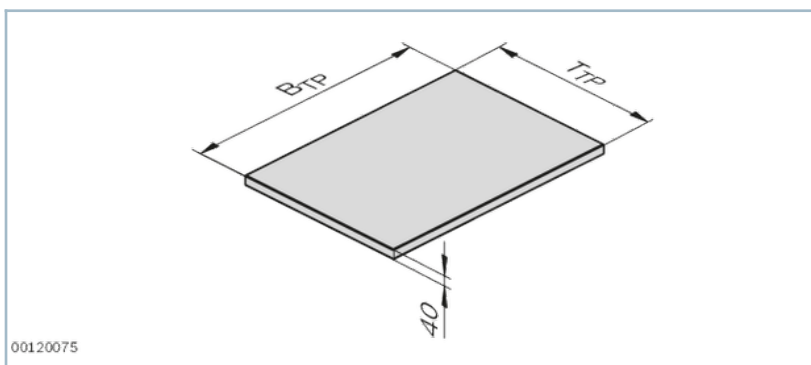

- The Economic table top is suited for normal levels of mechanical stress on the table top surface
- Table top Basic with hard laminate coating suitable for high mechanical stress on the table top surface
 - Highly abrasion-resistant
 - High impact resistance and scratch resistance
 - Resistant to organic solvents, weak acids and alkalis, gasoline and oil
 - Temperature-resistant at short intervals up to 180 °C

Technical data

No.	Material
3842998250	Coated chipboard, 0.1 mm layer thickness; edging: ABS Coated chipboard, 0.8 mm layer thickness; edging: ABS
