

WT 2/H Workpiece Pallet Kit

- Workpiece pallet kit without carrying plate for self-assembly kit or for adaptation to specific customer requirements
 - PE wear pads for quiet operation and low wear
-
- Integrated stop damper, ensures quiet running onto other workpiece pallets
 - 17 standard sizes
 - For workpiece pallet dimensions $b_{WT} \times l_{WT} = 400 \times 400 \text{ mm}$ to $1200 \times 1200 \text{ mm}$
 - Special dimensions on request
 - Suitable for use in an EPA
 - Material: PE (polyethylene) wear pad

Product description

To fulfill special needs, the workpiece pallets can also be individually configured in a design where the carrying plate is assembled by the customer. In addition to frame modules with different wear pads, various carrying plates, positioning bushings and all the necessary fastening elements are available.
