

Earthing terminal

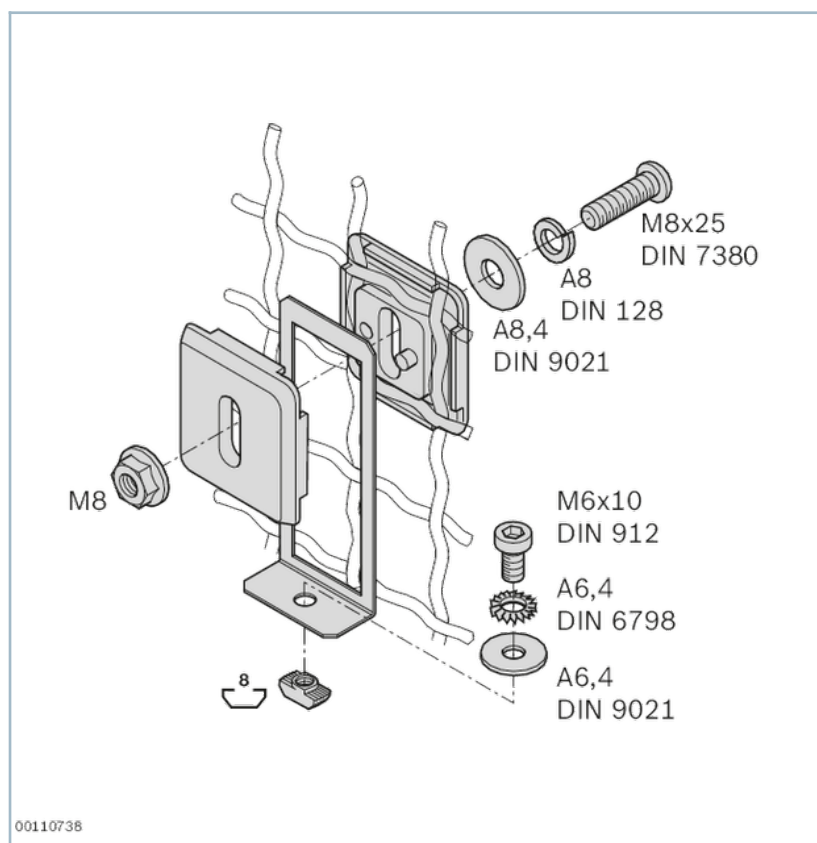

- For creating an electrically conductive connection between the woven wire grille and protective frame
- Connect the protective conductor via the ESD-conductive connection elements (e.g. T-nut)
- Guarantees safe conduction of short-circuit currents up to a rated current of 63 A

Product description

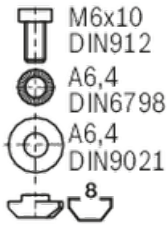

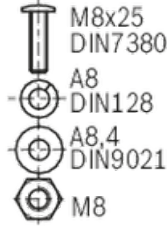

Technical data

No.	3842525833	3842555582
Material	Earthing terminal: steel; stainless Clamping element: PA; black Fastening material: Steel; zinc-plated	Earthing terminal: steel; stainless Fastening material: Steel; zinc-plated

Delivery notes

FS1	FS2
	

Scope of delivery

incl. fastening material (FS)

Incl. fastening material
