

Magnet catch

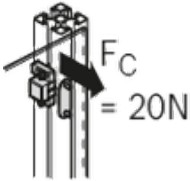

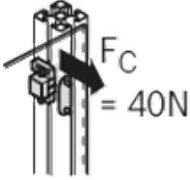

- The magnet catch prevents doors and flaps from banging or being unintentionally opened
- Elongated holes to compensate for different surface element thicknesses

Product description

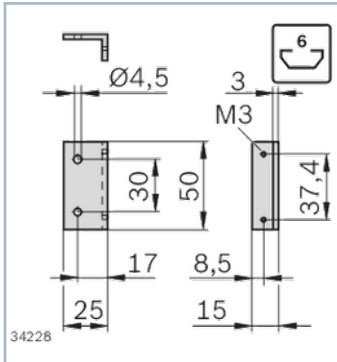

Technical data

No.		3842558323	3842555568	3842516165
Material		PP; white, steel; galvanized	PA; signal gray RAL 7004 Galvanized steel	PA; black Galvanized steel

	3 842 558 323
	3 842 555 568

Dimensions

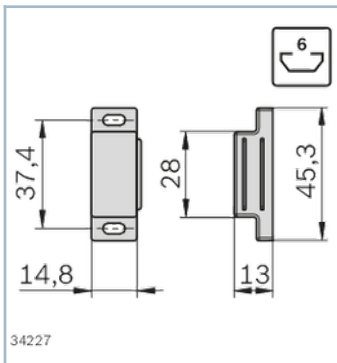

Magnet catch slot 6

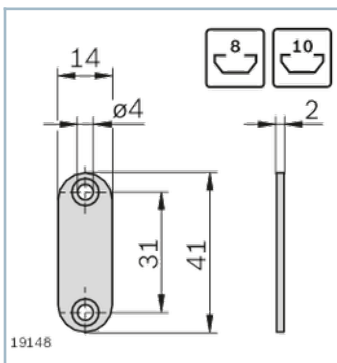

Magnet catch slot 6

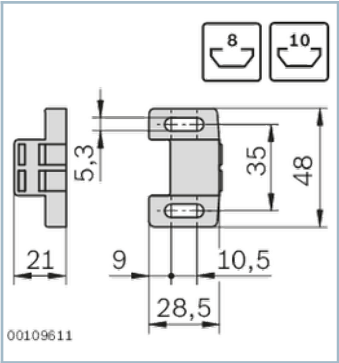

Magnet catch slot 6

Magnet catch slot 8, 10

Magnet catch slot 8, 10

Accessories

Required accessories

- Cylinder bolt ISO 4762
- Washer
- T-nut
